## Message from the **Group Chairman**

Welcome to Biratnagar International College, the first UK university college in Eastern Nepal offering a globally renowned and internationally recognised IT and Business Degree Programmes. We deliver BSc (Hons) in International Business Management and BSc (Hons) Computer Science in partnership with the University of Wolverhampton to produce global leaders in Business and IT. Biratnagar International College was established to provide affordable international education in Biratnagar whilst maintaining high academic excellence and student satisfaction.

At Biratnagar, we not only encourage high-level learning but also actively involve students in cutting-edge research activities, expose them to new challenges and produce individuals capable of facing and resolving tough challenges in the real world. Our college has been able to successfully instil innovation and entrepreneurship among students through our education.

The graduates of BIC have the skills that allow them to stand out in the industry through our course curriculum supported by advanced practical learning approaches. The internship opportunities have enabled our students to develop networks and gain experience allowing them to be better prepared by the time they graduate.

The BIC experience is a journey towards becoming an independent professional and entrepreneurial global citizen, fully prepared to meet the future with confidence.

**Sachit Man Sherchan**  
CEO  
Biratnagar International College

## Message from the **CEO**

At Biratnagar International College (BIC), we believe that education is not just a pathway to personal success, it is a powerful engine for societal transformation. As the first educational institution to offer a British degree in Eastern Nepal, we are proud to stand at the forefront of academic excellence and opportunity.

In partnership with the University of Wolverhampton, BIC offers BSc (Hons) Computer Science and BSc (Hons) International Business Management, programmes designed to empower our students with more than just knowledge. For the past 10 years, we have had the privilege of witnessing the profound impact our institution has made in shaping the future of young minds, equipping them with not only academic excellence but also the skills, confidence, competency, and global perspective required to thrive in an ever-evolving world.

Our mission is clear and unwavering: to produce world-class graduates who are capable, ethical, and driven to make meaningful contributions, both here in Nepal and across the globe. Every year, our students graduate with internationally recognised qualifications, enriched by real-world experiences through project-based learning and empowered with the critical thinking skills to solve complex real-world problems. These graduates go on to become leaders, innovators, and changemakers across diverse sectors, their success driving the economic vitality of Biratnagar and contributing to Nepal's growth and global presence.

At BIC, we are more than just an academic institution, we are a launchpad for future leaders. Together with our dedicated students, exceptional faculty, and valued partners, we are committed to shaping a brighter, bolder future for Biratnagar, for Nepal, and for the world beyond.

# About Innovate Nepal Group

Innovating the Future of Nepal

**Innovate Nepal Group (ING)** is a visionary company dedicated to transforming higher education in Nepal by integrating international qualifications with national equivalence. Today, ING operates 10 esteemed colleges across **Kathmandu, Biratnagar, Itahari, and Pokhara** serving **11,396 current students** and supported by a vibrant alumni network of 15,000+ graduates. Our mission goes beyond education. Today, ING is actively reshaping Nepal's key industries through a portfolio of innovative subsidiaries, including **mySecondTeacher Nepal, Vairav Technology, ING Arc, ING Skill Academy, ING Foods, One More Bite, One More Cup, ING Consulting, and Innovate Tech**. Each company is committed to excellence and impact. By championing career-focused education and forward-thinking technology, ING strives to contribute meaningfully to Nepal's development, creating opportunities, fostering innovation, and inspiring change across sectors.

# Our University

UNIVERSITY PARTNER

The University of Wolverhampton is a renowned university with a practice of providing opportunity and academic excellence for 196 years. In the context of Nepal, the University of Wolverhampton has partnered with Biratnagar International College and Herald College Kathmandu. Biratnagar International College currently offers undergraduate programmes in Information Technology and International Business Management. Herald College Kathmandu offers a postgraduate programme exclusively in the field of Business while providing undergraduate programmes in both Information Technology and International Business. Along the journey, this partnership has produced over 1,500+ graduates and more than 2,500+ current students. This university strives with its motto: "Innovation and Opportunity" and have been delivering professionals ready to compete in the global arena.

# The University of Opportunity

At the University of Wolverhampton, we cherish the chances we get to provide our students with the best possible options as they transition from student to graduate and finally to working professionals.

Our programmes have been designed and revisited over years to encompass all aspects of education along with the development of other essential skills for our students. With the consistent march towards excellence accompanied by our mission to produce leaders, the University of Wolverhampton has consequently been able to get some of the best outcomes and continues to do so.

# Message from the University of Wolverhampton

The University of Wolverhampton has been working successfully with international teaching organisations around the world for many years, providing partner institutions with further and higher education.

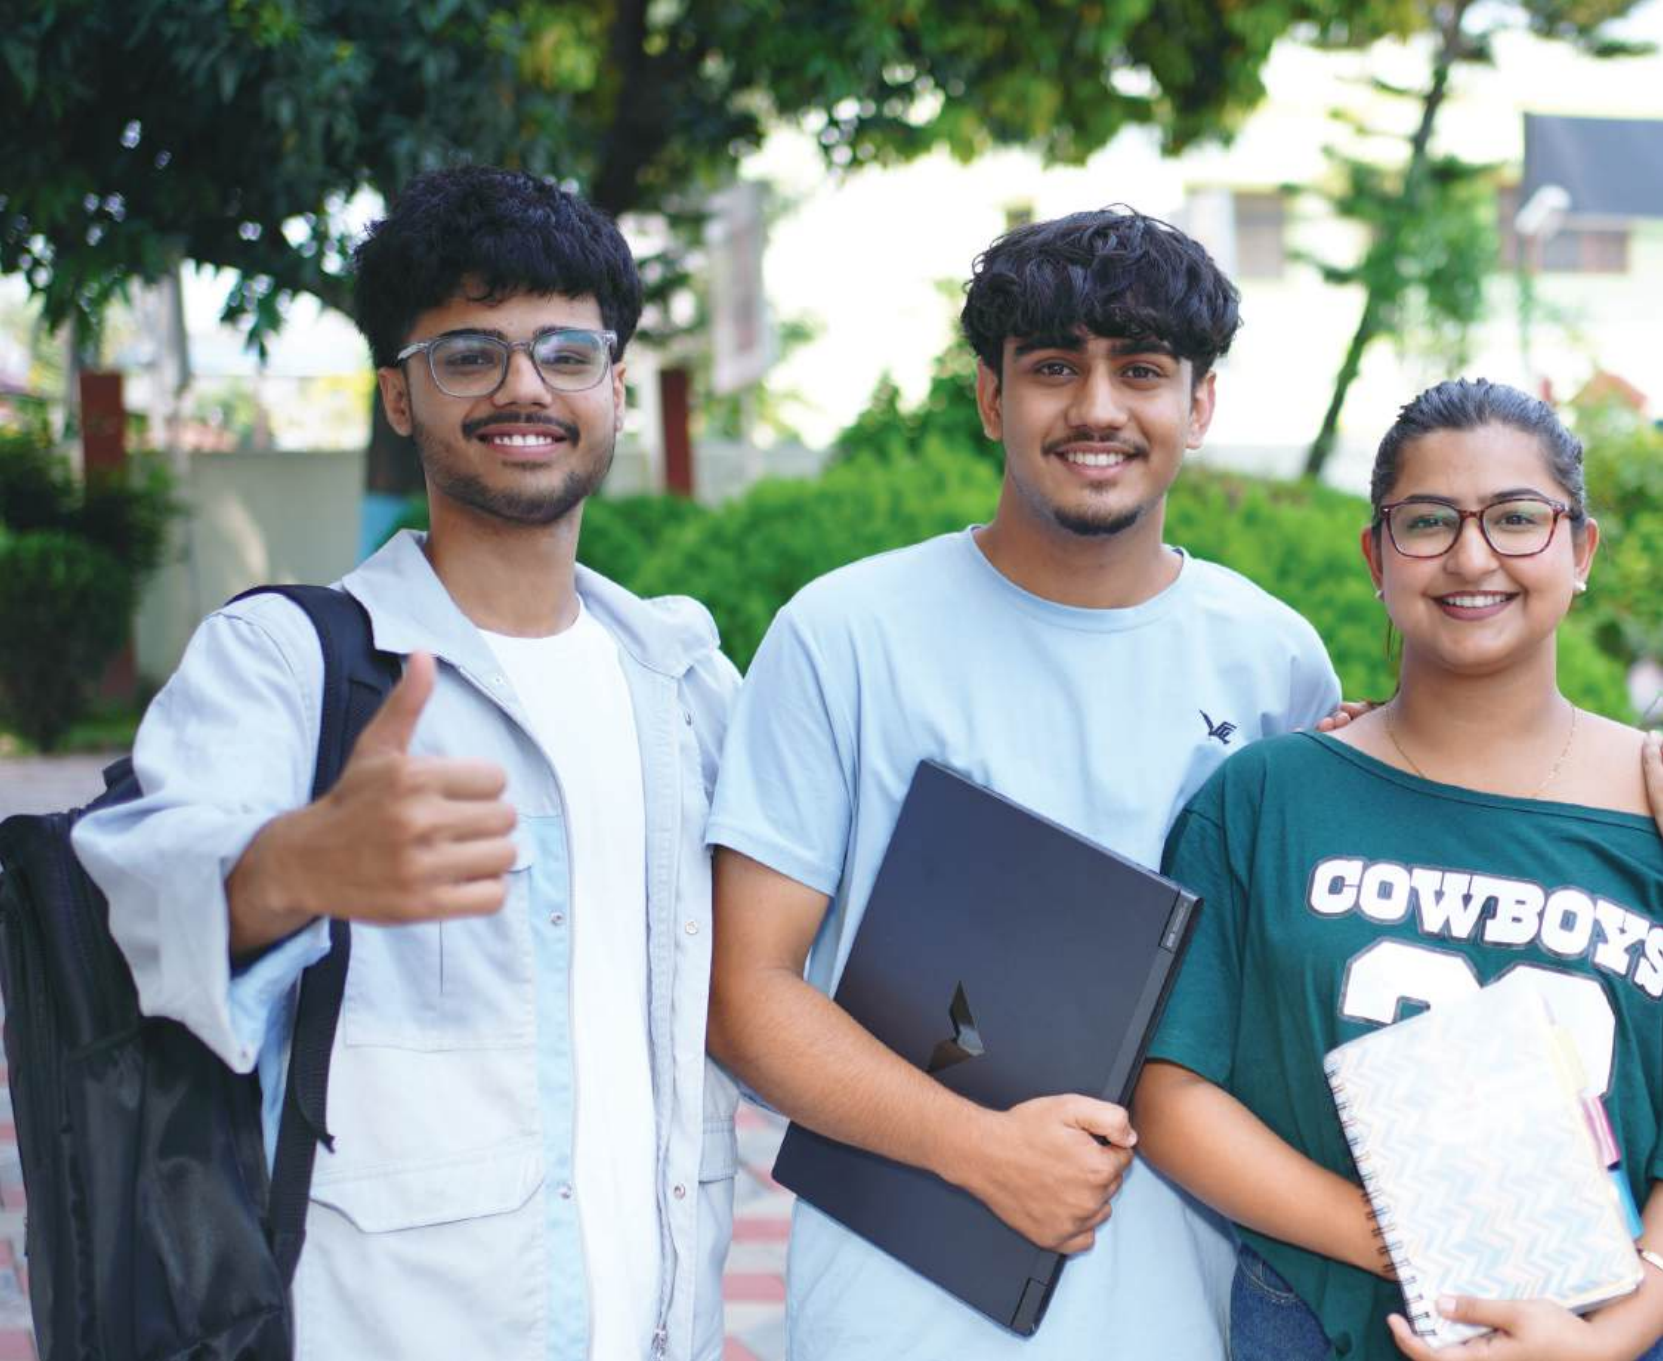

Transnational Education (TNE) gives students around the world the opportunity to study in their home country for a University of Wolverhampton degree. The University of Wolverhampton and Biratnagar International College have been working in collaboration since 2016, with the partnership going from strength to strength by delivering degrees in Information Technology and Business. At Biratnagar International College, We believe in putting the student experience at the heart of everything we do.

I look forward to furthering and enhancing the University's continued support of our collaboration with Biratnagar International College now and in the future.

# Welcome to **Biratnagar International College**

**Biratnagar International College** is the first college to introduce a UK University Degree in Eastern Nepal with complete management from Innovate Nepal Group.

It is best known for providing Information Technology and International Business Management Degrees that are industry-tailored in direct partnership with the University of Wolverhampton, UK. This is accompanied by the best faculty and the finest industry-exposure curriculums that promote growth opportunities for our students.

An esteemed  
private institution with

## **Full-Track**

**UK University Degree  
in Nepal**

# Teaching that takes you forward

Biratnagar International College adopts a unique learning approach, L-T-W (Lecture, Tutorial, and Workshop).

**Lectures** are formal sessions and a starting point where a student gets detailed information on a specific topic.

**Tutorials** are small classes where students discuss and perform various tutorial activities on topics covered during lectures.

**Workshops** provide a space for students to practically implement their theoretical knowledge through presentations, market research activities, report writing, and research work.

At Biratnagar International College, we combine knowledge with practical skills for a wholesome education where you will be learning through doing. The classroom discussions, projects and assignments actively engage our students in posing questions, solving problems, being creative, and constructing meaningful connections while being challenged to take the initiative, make decisions, be accountable for results and subsequently influence you to become leaders.

# International Exposure Programme

A full-fledged and practical cross-culture academic experience

Students from Biratnagar International College will get an opportunity to embark on an exciting journey to Thailand for workshops, training, and industrial visits. They will engage with industrialists, exchanging business ideas and success stories.

University of  
Wolverhampton,  
UK

# WLV Exchange Fellowship Programme

Students will participate in the WLV Exchange Fellowship Programme, exploring historical landmarks and immersing themselves in the vibrant UK culture. They will attend classes at the university and take part in an industrial visit to a renowned global brand in the UK. During their time there, students will foster cross-cultural interactions, share knowledge and experiences with peers from diverse backgrounds.

# A Career Head Start

At Biratnagar International College, students get the opportunity to connect with industry and market leaders of today through guest lecture sessions, industry visits, and internship opportunities. Beyond regular academics, they engage in various summer enrichment programmes, event organisation and participation, extra academics, volunteer programmes, and ambassadorships that enhance their leadership, collaboration, competency, and organisational skills. With these exposure programmes, our students learn to visualise the formulation of strategy and determine the factors for becoming successful and competent leaders in future. Furthermore, the skill-driven course delivery, real-world projects, internships, and exchange programmes, along with the focus on leadership, globalisation and entrepreneurship, encourage our students to think differently and gain a competitive advantage. Hence, creating long lasting impact on themselves, society, nation and across the globe.

## Student Stories

“

I have discovered my potential through a perfect blend of academic learning and practical experiences at Biratnagar International College. This college gave me the confidence to face real-world challenges and has played a key role in shaping my personal and professional journey.

**Khagendra Karki**  
Student - Year 3 (Level 6)

“

Being a part of Biratnagar International College helped me grow intellectually and academically. This college helped me become confident and discover who I want to be. The wide range of opportunities evolved into a more focused, thoughtful, and driven version of myself.

**Diya Niroula**

Student - Year 3 (Level 5)

“

What makes BIC special for me is the hands-on learning experience. Applying classroom knowledge in real-life scenarios has made my computer science journey more dynamic and meaningful, helping me grow personally and academically.

**Aditya Thapa**

Student - Year 1 (Level 4)

“

Coming from a Biology background, I never imagined a career in IT, but BIC made the transition seamless. The supportive faculty helped me find my passion for technology, and choosing BIC was one of my best academic decisions.

**Kritika Yadav**

Student - Year 1 (Level 4)

“

My life at BIC was one of the best experiences I ever had. After completing my bachelor's degree here at BIC, I got an opportunity to be an Operational Incharge at NBL. The knowledge and skills I have gained throughout my bachelor's life have been valuable to date in my workspace.

**Pooja Shah**

Operational Incharge  
Nepal Bank Limited

“

My time at BIC was a journey of learning and growth. The mentorship and hands-on learning shaped my problem-solving mindset and prepared me for real-world challenges. The values I gained at BIC continue to inspire me, and I'm proud to carry the BIC spirit with me as I step into the future.

**Ketan Shah**

Managing Director  
Saraswati Group

“

My time at BIC was a transformative chapter in my academic and professional journey. The rigorous curriculum and access to cutting-edge research in business management challenged me to think critically and solve problems creatively.

**Prasanna Dahal**

Recruitment Manager  
AESN, United Kingdom

“

Before joining BIC, I was silent and introverted, lacking the confidence and skills to take charge. With their course curriculum, dedicated faculty, and supportive community, I was able to break out of my shell. I am now a transformed person and I owe it all to BIC. Thank you for everything!

**John Hang Rai**

Admin Officer  
Rastriya Baniya Bank

# Traces of Our Triumph

INTERNATIONAL  
**BUSINESS  
MANAGEMENT**

BSc (Hons) International Business Management

---

Specialising in  
**Globalisation**

One of the phenomena of the 21st century has been that of globalisation. BSc (Hons) International Business Management (BIBM) course offered at Biratnagar International College equips students with the knowledge and expertise to manage within this global framework. As globalisation increases, more organisations have to work beyond their regional boundaries, compete in diverse global environments and find that their traditional domestic markets are open to global challenges. These organisations need experts who can work across multicultural barriers, develop effective international strategies and source products internationally. This course will train you in these key business areas.

The course will provide an interdisciplinary approach to global citizenship and will help you develop your own understanding of complex notions in the international business environment. Additionally, the course will help you develop Digital Literacy skills through the use of applications software employed by contemporary organisations. The development of student knowledge and understanding of a range of international business and management practices and the ability to apply them effectively in an entrepreneurial and innovative manner will also be emphasised, as it is recognised that entrepreneurship is a key force for successful economic growth across the world.

## BSc (Hons) International Business Management

# INFORMATION TECHNOLOGY

BSc (Hons) Computer Science

AI

Specialising in  
**Artificial Intelligence,  
Big Data & Cloud Computing**

BSc (Hons) Computer Science offered at Biratnagar International College is an updated, industry-oriented and futuristic course available for students. The course incorporates futuristic concepts dubbed as “The Next Gen” Technologies such as **Artificial Intelligence** (and Machine Learning), **Big Data** and **Cloud Computing**; the “ABC” of Information Technology. With the blend of practical, industry-oriented and futuristic concepts taught and learnt in this course, you can be assured of future proof and sustained career in Information Technology.

The Software Industry is already a huge market with huge demand for engineers involved in the design, development and testing of Enterprise Software. Enterprise Applications developed in various platforms such as Web, Mobile and now Cloud, have relentless and ever-growing prospects. No businesses around the world remain untouched by Computing Technology. In addition, the growing prospect of Business Process Automation using **Artificial Intelligence & Machine Learning** implies overwhelming computing requirements inevitably set for the future. As such, engineers capable of building Artificially Intelligent Software Applications will have

their prospects significantly scaled up, both in terms of job scope and pay scale. Currently, our country seriously falls short of producing such “Next Gen” Tech Graduates.

The BSc (Hons) Computer Science course at Biratnagar International College exactly looks to bridge this gap. Upon completion of this course, the graduates will be ready to be a part of this continuously updating industry straight away, without additional updates to their skill set, thus, making you “Industry Ready”.

Throughout this course you will develop and enhance your skills as a programmer, starting with the essential fundamentals of programming and problem solving, gradually moving towards software engineering and **Artificial Intelligence**. You will learn how to develop software that meets client needs and will have the opportunity to develop software for your final project integrating **Artificial Intelligence, Machine Learning, Big Data, Cloud Computing** or varieties of other Computer Science Artefacts.

## BSc (Hons) Computer Science

### Programme Module

The Bachelor's Degree Programme has been carefully curated to provide a seamless transition throughout your educational journey, making the entire process easier for your industrious effort.

## Year 1 | Level 4

- 4CS001: Introductory Programming and Problem Solving
- 4CS015: Fundamentals of Computing
- 4CS017: Internet Software Architecture and Databases
- 4CS021: Introduction to Object-Oriented Programming
- 4MM013: Computational Mathematics
- 4CS020: Interactive 3D Applications and Academic Skills

## Year 2 | Level 5

- 5CS019: Object-Oriented Design and Programming
- 5CS045: Full Stack Development
- 5CS037: Concepts and Technologies of AI
- 5CS048: Cloud Systems
- 5CS024: Collaborative Development
- 5CS046: Algorithms and Concurrency

## Year 3 | Level 6

- 6CS056: Advanced Full Stack Development
- 6CS059: Intelligent Systems
- 6CS030: Big Data
- 6CS012: Artificial Intelligence and Machine Learning
- 6CS007: Project and Professionalism

## Career Opportunities

AI Engineer | Machine Learning Expert | Embedded Systems Developer | Software Engineer  
Mobile App/Web Developer | Complex Systems Engineer | Systems Analyst | Software Architect

# ING Postgraduate Scholarship

to study MBA or MSc IT at Islington  
College, IMBA at Herald College  
Kathmandu & MBA at Apex College

Additionally, BIC also provides deserving candidates with a full-fledged Master's Programme Scholarship at Islington College / Herald College Kathmandu / Apex College.

Upon completion of their Wolverhampton University Bachelor's Degree, our students will be eligible for the ING Post-Graduate Scholarship within ING Colleges. With such opportunities, we hope to inspire future generations and help them realise their ambitions.

# Achieve more with our Scholarship Programmes

## The Attitude, Academics and Attendance (AAA) Scholarship

Biratnagar International College provides AAA Scholarships to the most deserving students in order to reward them for their excellent performance.

We are providing AAA Scholarships to **10% of students** in each academic year based on their performance under three main criteria: **ACADEMICS (A)**, **ATTENDANCE (A)** and **ATTITUDE (A)**. The AAA Scholarship covers both COLLEGE SEMESTER FEES of the First Academic Year.

### ELIGIBILITY CRITERIA:

Applicants can apply for the Scholarship if they meet the following criteria:

- Good academic standing.
- At least 80% attendance in each module.
- Timely payment of all the financial dues.
- Clean disciplinary record and exemplary behaviour.

# Entry Requirements

## BSc (Hons) Computer Science

### Higher Secondary Education Requirements (Any one of the following)

- NEB 10+2 (any stream) Year 12 score of 55% or above (2.4/4 GPA or above) with minimum grade of D or above in each subject. In case the NEB of Nepal changes the letter grading system, the minimum grade in each subject should be the minimum acceptable grade as pass grade by NEB.
- IGCSE minimum 3 'A' level passes with minimum grades D or above.
- Indian CBSE/ISC with Year 12 pass and score of 60% or above.

### Mathematics / Computer Science Requirements (Any one of the following)

- SEE Mathematics Score of 50% or above (Grade C+ or above).
- NEB Year 12 Mathematics / Applied Mathematics / Business Mathematics Score of 50% or above (Grade C+ or above).
- NEB Year 12 Computer Science score of 60% or above (Grade B or above).
- Indian CBSE/ISC Mathematics score of 55% or above, or Computer Science score of 65% or above.

### English Language Requirements (Any one of the following)

- NEB Year 12 English score of 50% or above (Grade C+ or above) or Indian CBSE/ISC English score of 55% or above.
- General Paper (English) with Grade E or above (AS Level).
- Have studied at level 3 and above and were taught/assessed in English.
- IELTS 6.0 with a minimum of 5.5 in each sub-element.
- ELLT overall score of 6 with no component less than 5.

## BSc (Hons) International Business Management

### Higher Secondary Education Requirements (Any one of the following)

- NEB 10+2 (any stream) Year 12 score of 45% or above (2.0/4 GPA or above) with minimum grade of D or above in each subject. In case the NEB of Nepal changes the letter grading system, the minimum grade in each subject should be the minimum acceptable grade as pass grade by NEB.
- IGCSE minimum 3 'A' level passes with minimum grades D or above.
- Indian CBSE/ISC with Year 12 pass and score of 50% or above.

### English Language Requirements (Any one of the following)

- NEB Year 12 English score of 50% or above (Grade C+ or above) or Indian CBSE/ISC English score of 50% or above.
- General Paper (English) with Grade E or above (AS Level).
- Undertake and pass ENGLISH LANGUAGE TEST designed and taken by the partner, subject to approval by the university.
- The candidate must submit the evidence of his/her English Language Competence (a letter of certification from the previous institution) confirming his/her Higher Secondary Education has been delivered and assessed in English medium.

**Intakes**

Approved by  
**Ministry of Education, Nepal**  
Equivalence by Tribhuvan University

### All Course Equivalent English qualifications

International student language requirements and application guidance can be found at <https://www.wlv.ac.uk/international/making-an-application/language-entry-requirements/>

# Completion and Graduation

Upon successful completion of the degree programme, University of Wolverhampton's graduates are eligible to attend the Graduation Ceremony held annually in Nepal. Graduates are also invited to attend the Graduation Ceremony held at the University, together with the graduates who have studied and completed their degree studies on-campus.

**We Look Forward  
To Welcoming You**

# Further Opportunities

Upon completion of an Undergraduate Degree, you will have numerous options for continuing a Postgraduate Degree at one of the ING Colleges, such as MBA & MSc IT at Islington College, IMBA at Herald College Kathmandu & MBA at Apex College along with other Degree programmes at the University of Wolverhampton, UK.

Notably, we boast an exceptional track record of 98.6% graduate employability in Nepal, showcasing outstanding opportunities for career success.
